Hi Sharon. Attached is your updated monitoring schedule for 2017.

It looks like several monitoring schedules were sent in 2016. I've attached the schedules that were sent to you in various quarters throughout the year (January, March, May and November)

Thanks,

Emmanuelle

Please: All data submittals to our office should be sent by email to [datamanager@epa.gov](mailto:datamanager@epa.gov) with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the **10<sup>th</sup>** of the month following the month that you receive results, or the **10<sup>th</sup>** of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.

02/22/2017

Good Afternoon,

I'd like to ask if I may have copies of the monitoring schedule for the year 2016 and current 2017. I'd like to have due that Mr. Sidney has been forward to me after printing out I may have missed some. Thank you again for your help and service.

Thank you, Sharon FMCV Water
